# ANOTHER MRS. BROWN.

Second District Candidate for Federa-  
tion Honors.

Somewhat unusual is the political  
situation this year in the Kansas Fed-  
eration of Women's clubs, the biennial  
election of which is to be held at the  
meeting of the Federation in Topeka  
this month, in that the two avowed  
candidates for president of the organ-  
ization are both Mrs. Brown. Mrs. May  
Bellis Brown of Salina was brought  
out by the club women of the Fifth  
district three weeks ago and now the  
women of the Second district have en-  
dorsed Mrs. Eustace H. Brown of  
Olathe for the office.

Mrs. Eustace H. (Florence Marley)  
Brown of Olathe, the Second Dis-  
trict Candidate for President of  
the Kansas Federation of  
Clubs.

Mrs. Brown of Olathe is the present  
recording secretary of the state fed-  
eration, elected at Wichita two years  
ago. She is a very close friend of Mrs.  
James M. Lewis of Kinsley, now pres-  
ident of the federation, with whom she  
has served on the executive board of  
the federation for two years and has  
gained much valuable experience in  
federation business which would be of  
much use to her should she be elected  
at the annual meeting in Topeka this  
month. Her club experience began  
fifteen years ago in Kansas City,  
Missouri, as a member of the History  
Class of '82 which was organized by  
Mrs. Kerner Coates and numbered  
among its members some of the most  
influential and cultured women of  
Kansas City. Mrs. Brown lived in To-  
peka during Governor Morrill's ad-  
ministration and was a member of the  
Portia club.

The Olathe Mrs. Brown has been a  
rather reluctant candidate for the  
office of president of the federation.  
From the first the Second district has  
desired to present a candidate, and  
Mrs. Eustace Brown was persistently  
talked of for the place. She was un-  
willing to make the race, however, and  
urged the candidacy of Mrs. D. S.  
Stephens, of Kansas City, Kan., pres-  
ident of the Kansas City federation.  
Six weeks ago the Sigourney club of  
Olathe passed resolutions to present  
their townsman Mrs. Brown's name to  
the federation as a candidate for  
president, but Mrs. Brown withheld  
the publication of the resolutions in  
the hope that some other woman of  
her district would consent to run.  
Later the demand from her district  
and the Third, which will also support  
her, became so strong that she con-  
sented to become a candidate.

Besides the two Mrs. Browns, no  
other candidates for the office of pres-  
ident of the federation have yet been  
announced. It is said that a candidate  
may be brought out from the Third  
district in order to divide Mrs. Brown's  
support, and a Kansas City  
morning paper states that a Topeka  
candidate will be sprung. This seems  
unlikely, as there is an unwritten law  
in the federation against the hostess  
city presenting a candidate, and none  
of the local club women believe there  
is anything in the report.  
The supporters of Mrs. Eustace H.  
Brown base their claim to considera-  
tion largely upon the fact that the ex-  
treme eastern part of the state has not  
given a president to the federation  
for many years. No woman from the  
Third district has ever held the office.  
The Second district has been repre-  
sented by the late Mrs. Mary Tenney  
Gray, of Kansas City, Kan., first pres-  
ident of the old Kansas Social Science  
federation; by Mrs. C. H. Cushing, of  
Lawrence, the second president, and  
Miss Sarah A. Brown, of Law-  
rence, the fifth.

## CASE IS QUASHED.

Nan Patterson's Relations Will Not  
Be Tried for Conspiracy.

New York, May 5.—Judge Foster in  
the court of general sessions today  
quashed the indictments charging  
conspiracy against J. Morgan Smith  
and his wife, Julia Patterson Smith.  
He gives the district attorney per-  
mission to re-submit the case to the  
grand jury. The Smiths were arrested  
in Cincinnati and are now in the  
Tomb in prison here.  
Nan Patterson's condition was much  
improved today. Her recovery from  
the almost complete breakdown which  
followed the failure of the jury in her  
case to agree early yesterday morning  
began yesterday afternoon and has  
progressed steadily. She arose today  
at the usual hour in apparently good  
health and spirits and ate a good  
breakfast.

That she had not fully recovered  
her normal health became evident,  
however, when she expressed a desire  
to retire immediately after breakfast.  
She was tired, she said, and needed  
another hour of sleep. She did not  
wait long enough to even open the let-  
ters which awaited her.

## ECZEMA FOR TWO YEARS

Little Girl's Awful Suffering With Ter-  
rible Skin Humor. Sleepless  
Nights for Mother

## SPEEDY CURE BY CUTICURA

"My little girl had been suffering  
for two years from eczema, and during  
that time I could not get a night's  
sleep, as her ailment was very severe.  
I had tried so many remedies, de-  
riving no benefit, I had given up all  
hope. But as a last resort I was per-  
suaded to try Cuticura, and one box  
of the Ointment, and two bottles of  
the Resolvent, together with the Soap,  
effected a permanent cure.—Mrs. L. B.  
Jones, Addington, Ind. T."

# HIS CURE COMPLETE

MR. PORTER NOW ENTIRELY FREE  
FROM NEURALGIA.

Remedy Found in Dr. Williams' Pink  
Pills. Relief Began With First Box  
and Pain Now Gone Altogether.

"It seems like a miracle that those  
little pink pills should have cured my  
neuralgia," said Mr. Potter. "They are  
certainly a marvelous medicine and I  
shall always be glad to recommend  
them."

"For two years," he continued, "I  
had suffered almost unbearable pains in  
my head. They would start over my  
eyes and shoot upward most frequently,  
but they often spread over my face and  
at times every part of my head and face  
would be full of agony. Sometimes the  
pains were so intense that I actually  
feared they would drive me mad."

"Were you in pain all the time?"  
"My eyes ached constantly and there  
was always a burning sensation over  
my forehead, but the other pains were  
sometimes they were acute, and again  
they were dull and lingering."

"Was your health in general af-  
fected?"

"I could not sleep, my temper was  
irritable and I got no pleasure out of  
life."

"During those years of suffering, you  
made efforts to conquer the disorder,  
didn't you?"

"I surely did. I tried remedy after  
remedy, but finding no help in any of  
them, I became a despairing man. Even  
when I began to take Dr. Williams' Pink  
Pills I had no great hope of a cure.  
I had used nearly everything else  
offered for neuralgia, and I merely  
thought: they won't do me any harm; I  
may as well try them too."

"That was in December of 1903. To  
my surprise, a change in my condition  
took place right away. The pains grew  
less intense and the acute attacks were  
further apart, as I kept on using Dr.  
Williams' Pink Pills. The improvement  
began with the first box, and when I  
had used six boxes I stopped. My cure  
was complete and has lasted ever since."

Mr. Charles H. Porter lives at Ray-  
mond, New Hampshire, and is well  
known as the proprietor of the Hotel  
Raymond. He is one of many grateful  
people who have found that Dr. Wil-  
liams' Pink Pills will cure diseases of  
the nerves that have stubbornly resisted  
every other remedy tried. They do not  
deadens pain, but they cure the disease  
that causes the pain by purifying and  
enriching the blood. Not only neuralgia,  
but sciatica, partial paralysis and loco-  
motor ataxia yield to them.

## CHANGED HER PAPERS.

The Minnesota Is Afraid of Russian  
Cruisers.

Seattle, Wash., May 5.—Before the  
steamship Minnesota sailed for the Ori-  
ent from Port Townsend, at which port  
she stopped for repairs after leaving Se-  
attle, the Great Northern steamship com-  
pany changed her clearance papers so  
as to designate Shanghai as the port  
for which she sailed. When the Minne-  
sota cleared from Seattle it was for  
Yokohama and it is thought this latest  
act was due to fear of interference from  
Russian cruisers.

## DAVIS FAVORS IT.

Action With Reference to Joint Re-  
sult of a Conference.

"The raids that are being made on  
the joints by the county authorities are  
the result of a conference between them-  
selves and County Attorney Hunsicker,"  
said Mayor Davis this morning. "The  
conference was not recent but took  
place shortly after my entrance into office.  
I don't know what further ac-  
tion will be taken. We will wait and  
see what effect this will have upon the  
situation. If it is found necessary to  
continue operations we shall do so."  
This is the first intimation that Mayor  
Davis has given of any policy with  
regard to handling the joint question.  
The mayor always has stated that he  
was unprepared to state what his policy  
with regard to that question would be.  
He always has met direct in-  
quiries with the same answer, "I  
haven't made up my mind yet as to  
what I shall do. I shall have to learn  
the conditions first."

field, was third. Other states in the

souri, Illinois, Ohio, Minnesota, Colo-

An Audubon Anniversary.  
New York, May 5.—The 125th anni-  
versary of the birth of John James  
Audubon, the naturalist, has been cele-  
brated in the Church of the Interces-  
sion, on Washington Heights. Audubon  
lived nearby and at one time owned the  
land on which the church now stands.  
Former Judge Alton B. Parker, Bishop  
Greer and others spoke honoring the nat-  
uralist's career.

They Want the Liberty Bell.  
Philadelphia, May 5.—A letter from  
Henry E. Reed, secretary of the Lewis  
and Clark exposition, was received by  
common councils today requesting that  
the Liberty bell be sent to the expo-  
sition at Portland, Oregon. The letter  
was referred to the committee on city  
property.
